For: BODY WEIGHT GAIN INHIBITOR

Examiner: G. Chandra

SUPPLEMENTAL RESPONSE TO RESTRICTION REQUIREMENTMS Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This document is submitted in response to the Office Action mailed from the United States Patent and Trademark Office on April 11, 2007. Claims 1-39 are pending in the instant application and are subject to restriction. Claims 1-21 and 23 were withdrawn from consideration in the response filed on February 7, 2007.

In response to the restriction requirement, Applicants hereby provisionally further elect SEQ ID NO: 16 for claims 22 and 24-39. The instant election is made with traverse for continued examination and Applicants submit that no unreasonable burden is incurred by a search of the sequence identifications that can be found at least at pages 82-97 of the specification.

This election is made with the understanding that upon allowance of a generic claim, Applicants will be entitled to the consideration of the additional species which are written in dependent form or otherwise include all the limitations of an allowed generic claim.

Application No. 10/500,175
Amendment dated May 10, 2007
Reply to Office Action dated April 11, 2007

Docket No.: 61536 (46342)

The present election should not be construed as a surrender of any subject matter of the application. Applicants reserve the right to file divisional application(s) on the non-elected claims.

It is respectfully submitted that the subject application is in a condition for allowance. Early and favorable action is requested.

The Director is hereby authorized to charge any credits or deficiency in the fees filed (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 04-1105, under Order No. 61536 (46342).

Dated: May 10, 2007

Respectfully submitted,

By Dwight D. Kim
